MEMORANDUM FOR: Deputy Director for Support

SUBJECT : Support Directorate Historical Program

REFERENCE : Your memorandum, dated 6 July 1970, subject
as above

1. As requested, the suggested schedule for completion of Office of Medical Services histories as outlined in referent memorandum has been discussed with the Support Services Historical Officer. It has also of course been reviewed with OMS officials responsible for the several parts of our history. As a result of these discussions, the following alternative schedule is proposed:

<u>SUBJECT</u>	<u>PROPOSED DATE</u>
Transition 45-47	Oct 70
Clinical Program	Aug 71
Psychiatric Program	Sep 70
Operations Division	Jul 71
Psychological Services	Jul 71
Field Support Program	Jul 71

2. This schedule is consistent with the referent suggested schedule for two of the six histories projected. The other four will in our judgment require longer time for preparation for reasons we have previously outlined. We have no annuitants to work on our histories and much of the preparation necessarily depends on the efforts of a few senior OMS officials. Nevertheless, we are moving on this and shall intensify our efforts in this area.
